We ask that you cooperate with us by abiding by our safety rules::

1. If you see an unsafe condition, please notify a Sierra Auction representative immediately. We have representatives stationed in each selling area as well as outside.

## AUCTION TERMINOLOGY

The following is a list of words or terms that you should be familiar with when bidding. If you have questions about any of these terms or any others that the auctioneer may use, we encourage you to familiarize yourself with them prior to bidding.

**Times the money:** The expression "times the money" is used when two or more like items are being sold at one time; in this instance your bid is multiplied times the number of items being sold. Example: Lot number 142 is four identical Cell Phones and the auctioneer announces that the auction lot is being sold "times the money". The high bidder purchased lot 142 for \$100. In this example, the successful bidder bought each of the four Cell Phones for \$100.00 for a total of \$400.00 (4 x \$100= \$400).

**Choice:** On occasion, there will be multiple lots of identical or similar items sold consecutively in the auction. In some instances the auctioneer will sell those consecutive lots via "choice". When selling "choice", the auctioneer is offering more than one item up for auction at a time. The winning bidder then has the choice to take one item or multiple items. If the bidder wishes to take more than one item, the bid price will be multiplied by the amount of items the bidder chooses. **THE WINNING BIDDER MAY BUY ALL THE ITEMS!**

**Choice in Order:** When the auctioneer announces that the items are being sold "Choice in order", it means that the buyer may choose to take the first numerical lot of those announced as currently being sold, or as many, or all items, as they choose to take, but must take them in sequential number order, and will pay the bid price for each of the lots that the successful bidder wishes to purchase.

**AS-IS:** All items are sold without warranties as to the condition and/or the fitness of the property for a particular use. Buyers are solely responsible for examining and judging the property for their own protection; otherwise known as "As Is, Where Is" and "In its Present Condition."

**Bidder Number:** Individually numbered card with your unique bidder number. This will identify you to the auctioneer as the successful bidder.

**Bidder Registration:** The process of registering your identity and ability to pay for successful bids. This is essential before bidding.

**C/W** - Comes With

**A/T** - Automatic Transmission

**M/T** - Manual Transmission

**CNG** - Compressed Natural Gas

Sierra, at Buyer's request, and in its sole discretion, may assist Buyer in the removal of its goods. Buyer may be charged Sierra's current hourly rate per workman and forklift or other equipment utilized. In the event any work is requested after 3:00 PM or on non-standard Sierra workdays, Sierra may charge Buyer 1.5 times its standard hourly rate. Buyer shall hold Sierra, its employees, officers and directors harmless for any and all damage, injury or liability regarding the removal of its purchases, notwithstanding Sierra assistance in item removal, or Sierra's negligence or gross negligence. All lots and purchases must be removed in full. No removal of partial lots shall be allowed; inquire about shipping options.

Neither the auctioneer nor his principal shall be liable by reason for a defect in or condition of the premises on which the sale is held.

**SELLER CONFIRMATION AND UNRESERVED ITEMS:** Sierra's policy allows our consignors to determine if they wish to place a minimum bid or "Seller's Confirmation" on any lot. Not all reserved items are noted in the description - auctioneers are given the authority to bid on behalf of the seller. You and you alone as an auction participant determine what you are willing to pay for all assets. Please stop bidding if you feel you have reached your maximum comfort level. All other lots will be sold to the highest bidder. However, Sierra reserves the absolute right, at its sole and exclusive judgment, to withdraw any lot from sale, or add new lots to the sale at any time up to the item being declared sold.

**TITLES AND 3-DAY TEMPORARY VEHICLE TAGS:** Vehicle titles will be issued in the name of the registered buyer only. No open titles. In some instances, Repossession Affidavits or court documents will be given in lieu of a title. These documents allow a buyer to obtain a valid title at any state authorized title agency. Computers with internet connection are supplied for the purchase and printing of temporary vehicle tags. An \$11.00 user fee (subject to change) per 3-daytag is due immediately and payable in cash (\$10.00) and Buyers credit/debit card (\$1.00).

**ARBITRATION:** In the event a dispute shall arise between the parties, it is hereby agreed that the dispute shall be referred to an accredited arbitration service at the sole discretion of Sierra.
