GENERAL INFORMATION

SAFETY IS OF UTMOST IMPORTANCE AT SIERRA AUCTIONS

We ask that you cooperate with us by abiding by our safety rules::

1. If you see an unsafe condition, please notify a Sierra representative immediately. We have representatives stationed in each selling room as well as outside.
2. Sierra has been a family affair since we opened the business. However, due to safety concerns and large crowds, it has become necessary for us to initiate a policy of “no children under the age of 12.” We hope you will cooperate and understand the need for this policy.
3. Service dogs are the only animals allowed on the property. This is also for the safety and well being of our customers.
4. Please watch for moving auction carts and move quickly when the carts need to move. This will keep you safe and allow the auction to move rapidly.

Load out of each room and locations in the yard will be permitted after the last lot is sold. Remember, no removal is permitted without a paid receipt. It is the buyers’ responsibility to remove all items purchased. A Sierra representative will assist when possible. Sierra is not responsible for breakage or damage that occurs during removal.

Please go to the Information Booth for any questions. If the booth is not manned, look for a Sierra representative.

CASH COUNTER DEPOSIT

Counter credits are **“cash only” “no checks”** and take one (1) business day to clear. No merchandise will be released until credits and wires clear our bank. Fax a copy of the original deposit slip with bank stamp to Sierra A.S.A.P. that clearly shows that it was a cash transfer. You must transfer the exact amount owed to Sierra Auction and pay all fees separately.

AUCTION TERMINOLOGY

The following is a list of words or terms that you should be familiar with when bidding. If you have questions about any of these terms or any others that the auctioneer may use, we encourage you to familiarize yourself with them prior to bidding.

Times the money: The expression “times the money” is used when two or more like items are being sold at one time; in this instance your bid is multiplied times the number of items being sold. Example: Lot number 142 is four identical Cell Phones and the auctioneer announces that the auction lot is being sold “times the money”. The high bidder purchased lot 142 for \$100. In this example, the successful bidder bought each of the four Cell Phones for \$100.00 for a total of \$400.00 (4 x \$100= \$400).

Choice: On occasion, there will be multiple lots of identical or similar items sold consecutively in the auction. In some instances the auctioneer will sell those consecutive lots via “choice”. When selling “choice”, the auctioneer is offering more than one item up for auction at a time. The winning bidder then has the choice to take one item or multiple items. If the bidder wishes to take more than one item, the bid price will be multiplied by the amount of items the bidder chooses.

Choice in Order: When the auctioneer announces that the items are being sold “Choice in order”, it means that the buyer may choose to take the first numerical lot of those announced as currently being sold, or as many as they choose to take, but must take them in sequential number order, and will pay the bid price for each of the lots that the successful bidder wishes to purchase.

AS-IS: Selling the property without warranties as to the condition and/or the fitness of the property for a particular use. Buyers are solely responsible for examining and judging the property for their own protection; otherwise known as “As Is, Where Is” and “In its Present Condition.

Bidder Number: Individually numbered card with your unique bidder number. This will identify you to the auctioneer as the successful bidder.

Bidder Registration: The process of registering your identity and ability to pay for successful bids. This is essential before bidding.

SIERRA AUCTION MANAGEMENT, INC. (SIERRA) AUCTION TERMS & CONDITIONS

WELCOME TO SIERRA AUCTION - LIVE AUCTION IS AN EXCITING WAY TO BUY ITEMS AT GREAT PRICES! WE HOPE YOU HAVE A GREAT TIME, AND MAKE SOME TRULY OUTSTANDING PURCHASES. HAVE FUN!

We have a few rules that we all must follow to insure that everyone has a safe and enjoyable auction experience. Sierra is acting as an auctioneer-agent for many cities, counties, the State of Arizona, many large and small companies and people just like yourself that are seeking to sell items they no longer need. Sierra may act as a principal, Buyer or Seller, in the sale of some items. Sierra is not responsible for the actions of its principals.

REGISTRATION: All Buyers must register and have a bidder number prior to bidding. Please register early to avoid line! Sierra reserves the right to deny access to its premises to any Buyer(s), visitor or guest in its sole discretion. Sierra may revoke any bidder's rights to bid at any Sierra auction, or all future Sierra auctions in its sole discretion. You are responsible for all purchases made with your number, whether by you or by anyone you might allow to use your number. These Terms and Conditions shall remain in full force and effect for all future Sierra auctions until revoked by BUYER in writing, and acknowledged by an officer of Sierra. Sierra reserves the right to change these TERMS and CONDITIONS at any time in its sole discretion and without notice. Recording of the auction is strictly prohibited; no still, video or audio recording can be made without the express written permission of Sierra.

PERMANENT BIDDER NUMBERS: Sierra issues permanent bidder numbers to those preferred customers, at their request. You must have a successful bidder at our auctions without default for over two years. Permanent bidder number may only be used by the person to whom they are registered.

DEPOSITS: All bidders will be required to place a cash, debit card (using PIN entry), or certified check deposit of \$200 for all non vehicle lots and \$500 deposit for any vehicle or heavy equipment lot. You must register as a vehicle buyer in order to bid on vehicles or heavy equipment. The bidder deposit will be refunded to you upon full payment for your purchases or may be applied to the payment of your purchases. If you are not the winning bidder on any items your bidder deposit will be refunded to you upon your request. All sales are subject to local, state and federal taxes including Sales Taxes unless you have a valid sales tax exemption certificate acceptable to Sierra and to the State of Arizona prior to bidding, file a completed Arizona Form 5000, and a separate automobile dealer exemption certificate/license, when applicable. Fax a copy of the resale license to 602-246-1903.

BUYER'S FEE: All purchases are subject to a discounted Buyer's Fee of 10% of the purchase price for cash, acceptable bank checks or wire transfers. Certain lots may contain a notice that clearly states a different Buyer's Fee (lower or higher). All purchases made using our Proxy bid service (all bids except live call bids), whether placed in person, on-line or via telephone, are subject to an additional Proxy Purchase Fee of up to 2% of the purchase price, at Sierra's option. Auctioneer reserve the right to limit Proxy bidding on certain lots and for certain Buyers. No Buyers Fee on Bankruptcy items. Each Vehicle or Equipment sold requiring titles will be assessed a \$25.00 administration fee.

ANNOUNCEMENTS: Any announcements on the day of the auction shall take precedence over any previously distributed information or advertising. Listen to opening announcements, as they are important. The auctioneer may announce additional information or terms during the course of the auction.

ADDITION TO OR WITHDRAWAL FROM SALE: The auctioneer reserves the right to withdraw from the sale any property listed and also to add property not listed to the sale. Also, the auctioneer may group lots or subdivide lots in order to benefit the seller. The auctioneer reserves the right to sell the property listed in bulk.

ALL SALES ARE FINAL: ALL ITEMS ARE SOLD "AS IS-WHERE IS," WITH ALL FAULTS AND WITHOUT WARRANTIES. Catalog, web and ad descriptions are NOT GUARANTEED. The descriptions have been prepared from information believed to be reliable. Sierra attempts to ensure accuracy; however, Sierra is not liable for any errors, omissions, or inaccuracies in the catalog or other written or verbal descriptions. Bidders are responsible to thoroughly inspect items before bidding and to satisfy themselves of such matters as suitability, marketability, completeness, year, make, model, and/or condition. IF YOU ARE UNSURE AS TO ANY MATTER, Sierra URGES YOU NOT TO BID. YOU MAY NOT RELY ON SIERRA'S DESCRIPTIONS OR INFORMATION, WRITTEN OR VERBAL. The auctioneer reserves the right to reject any and all bids. On lots upon which there is a reserve, the auctioneer shall have the right to bid on behalf of the seller. All auction sales will be recorded by audio and/or in writing by at least 2 Sierra personnel. This record of the number of the bidder, the bid, and amount thereof shall be prima facie evidence of the circumstances of the sale, and all disagreements will be resolved with this record. Please clearly show your bidder number to the auctioneer. Please confirm the auctioneer correctly states your bidder number and the final sales amount. Sierra is not responsible for any loss or damage to any sold auction items. Title (ownership) and risk of loss or damage transfers to Bidder as soon as each individual lot is sold. The auctioneer is not responsible for accidents, damages or stolen goods. All counts are approximate. Purchaser should monitor their purchases during the auction, if it is damaged or missing it is the bidders' responsibility. Sierra urges all Bidders to remove all lots from the auction site as soon as practicable, and no later than the close of business on auction day, with safety and security as the top considerations. ABSOLUTELY NO REFUNDS.

AUCTION TERMINOLOGY: It is the responsibility of the bidder to understand the manner in which items are being sold. When the auctioneer says "one times the money" or "all for one money" it means that the item(s) are being sold as a lot. If the auctioneer says "times the bid" or "times the money" it means that the bidder will pay the bid amount times the number of items in the lot. THE BIDDER MUST UNDERSTAND WHAT HE IS BIDDING ON AND HOW IT IS BEING SOLD. NO REFUNDS.

PAYMENTS: All payments are to be made in US funds. Sierra reserves the right to require the purchaser(s) of certain lots to make an additional deposit, within 30 minutes of Sierra's request, in Sierra's sole and exclusive judgment. In the event the Buyer fails to place the required deposit, Sierra, in its sole and exclusive judgment,

may declare the buyer in breach of contract, and re-auction the lot, and bar the Buyer from future bidding. Buyer will forfeit its deposit, and be liable for any loss or other cost the consignor and/or Sierra incurs in re-auctioning the lot. No Lots may be removed in part or in full until paid in full. A DAILY LATE PAYMENT FEE shall be charged on all lots not paid for in full by 3:00 PM on the first workday following the Auction. The DAILY LATE PAYMENT FEE SHALL BE equal to 3% of the outstanding balance of each Lot or \$10 per Lot, whichever is greater. Any Lot not paid for by 3:00 PM on the first Friday following the auction shall place the Buyer in breach of contract. Sierra retains all its legal rights, including, but not limited to suing Buyer to compel specific performance, and/or declaring the Buyer in breach of contract retaining the deposit and barring the Buyer, and Buyer's agents from all future auctions. Sierra, at its sole discretion may offer the goods for sale in a private sale or any future Sierra auction. Buyer shall be responsible for any deficiency, including late payment fees and storage fees. Buyer shall have no right to any excess funds such sale may generate. Currency accepted includes US currency (cash), bank wire transfers, and certified checks from a US bank. Sierra reserves the right to require certain Buyer's or certain Lot purchasers to pay cash only. Sierra may accept credit cards (Visa, MasterCard and American Express) on designated lots at the Undiscounted Buyers Fee of 13%. Sierra reserves the right to refuse to accept certain credit cards, and require cash payments in its sole discretion.

CHARITY VEHICLES: Some of the vehicles sold are marked as Charity or Donated vehicles. To facilitate title transfer and assist the donor and charity, Sierra Auction Management, Inc. ("Sierra") has agreed to title these vehicles in our company name, for that purpose only. Sierra assumes no responsibility for these vehicles.

REMOVAL OF PURCHASED ITEMS: No item may be removed from the auction site until it is paid for in full. All lots must be removed from Sierra's facility on the date of sale. In certain situations, Sierra, in its sole and exclusive judgment, may allow certain lots Sierra deems difficult to move to be removed no later than 3:00 PM on the third business day following the auction. DAILY STORAGE FEE shall be charged for all Lots not removed on auction day unless Sierra approves a later removal date. All lots not removed by 3:00 PM on the third business day following the auction shall be charged a DAILY STORAGE FEE of \$5.00 per lot, per day for non titled Lots, and \$20.00 per day for any lot that has a title. Lots that are greater in size that a standard pallet shall be charged \$5.00 per day for every 15 square feet of storage space utilized. Sierra DOES NOT OFFER STORAGE SERVICES. Any unsalable items that are not removed will be hauled to the dump at Buyers expense. Buyer is solely responsible for the safe removal of all their purchases. Sierra, at Buyer's request, and in its sole discretion, may assist Buyer in the removal of its goods. Buyer shall be charged Sierra's current hourly rate, per workman and forklift or other equipment utilized. In the event any work is requested after 3:00 PM or on non standard Sierra workdays, Sierra's shall charge Buyer 1.5 times its standard hourly rate. Buyer shall hold Sierra harmless for any and all liability regarding the removal of its purchases, notwithstanding Sierra assistance in item removal. All lots and purchases must be removed in full. No partial lots removal shall be allowed.
